2023 CONSERVATION FARM FAMILY OF THE YEAR AWARD

Purpose

To promote total farm conservation accomplishments by recognizing farm families performing outstanding conservation work, including community involvement and conservation education.

Eligibility

Nominees must be farmers whose income is primarily derived from the use of land for agricultural purposes. Length of time participating in programs with their county land conservation committee and department is less important than the quality and leadership exhibited by the conservation work.

Guidelines

Leadership and effectiveness of the nominee's efforts to demonstrate a commitment to conservation shall be important factors in judging this award. Conservation accomplishments should be continuing and maintained, but need not be limited to work performed recently, as such accomplishments are the result of progressive action.

Nominations may be made by either a land conservation department staff or land conservation committee member. Nominations received without proper support/paperwork may not be eligible for an award.

Procedure

PLEASE SUBMIT ENTRY AS A SINGLE PDF DOCUMENT. Entries should be submitted before December 31, 2022 to WI Land+Water, 121 S. Pinckney St., Suite 420, Madison, WI 53703 or email to chris@wisconsinlandwater.org. The WI Land+Water Professional Improvement Committee will review submittals and select the winner(s) by January 20, 2023. Recognition of the State Award will be provided at the annual WI Land+Water Conference held March 1-3, 2023. The sponsoring county is responsible for travel and lodging expenses for the State Award Recipient; awards dinner banquet meal for the winner and one guest (if applicable) will be provided by WI Land+Water (two maximum).

The state winner will be asked to host Conservation Observance Day on a date convenient to all parties during 2023. For hosting they will receive reimbursement up to \$3500 from the Department of Agriculture, Trade and Consumer Protection after proper paperwork is complete.
