New Business

Pierce County will host the annual conservation tour this year. Date, time & agenda to be determined. A discussion about LCD and DNR communications with regard to nutrient management plans for DNR CAFO permit farms. A general consensus was that counties should make sure they are signed up with DNR to receive notifications regarding CAFO permit farms. Additionally, counties would encourage CAFO and Wastewater staff within DNR share waste spreading information to ensure multiple nutrient sources are not planned on the same farms and fields.

Presentation Elizabeth Usborne & Ruth King (WDNR non-point program) led a discussion regarding implementation of NR151 and compliance tracking at the county level.
