

WICDI Culvert Data Collection Workshop

November 30 | Highbridge, Wisconsin

Agenda (details and exact times subject to change)

10:00 am

- Meet at Ashland County Highway Shop (directions below)
- Go over schedule for the day
- Introductions

10:15 am

- WICDI project overview and goals – Melanie Kohls & Genevieve Burgess
- WICDI culvert collection tools explanation and practice
 - Survey123
 - KoBoCollect

11:00 am

- Travel to 3-5 culvert sites, as time allows (link to map below)
- Compare different collection methods: Survey123 and KoBoCollect
- Participants invited to speak at each site if they have familiarity or knowledge of that culvert

12:15 am

- Regroup at the garage
- Coordinating efforts to achieve a greater level of success in Hazard Mitigation and grants funding - Jim Erickson (others invited to share their experiences here)
- Lincoln Township's culvert collection and management process - Mark Dryer
- Closing discussion – Melanie and Genevieve

1:30 pm

- Lunch (provided, TBD)

Additional Information

See the [Help Guide](#) for information on accessing the data collection forms ahead of time.

Weather permitting, all parts of the workshop will take place outdoors/in the Ashland County Highway Shop with doors open. The garage has wi-fi, heating, and bathroom facilities.

If you have a tablet device or smartphone that you currently use in the field, bring it! If you have an extra and feel comfortable sharing, please do so. We will use the devices to collect culvert data.

For lunch, we will be purchasing a variety of sandwiches and wraps from the [Chequamegon Food Co-op](#). If you have any dietary restrictions or preferences, please let us know as soon as possible. Thank you!

Shop address:

[39181 State Hwy 13](#)
[Highbridge, WI 54846](#)
