### **Conflict of Interest Policy and Statement**

#### **For WI Land+Water's Board of Directors Members and Members of a Committee with Board Delegated Powers**

##### **Article I – Purpose**

1. The purpose of this Board conflict of interest policy is to protect WI LAND+WATER'S interests when it is contemplating entering into a transaction or arrangement that might benefit the private interests of an officer or member of the Board of directors or Board of directors alternate ("directors") of WI LAND+WATER or might result in a possible excess benefit transaction.
2. This policy is intended to supplement, but not replace, any applicable state and federal laws governing conflicts of interest applicable to nonprofit and charitable organizations.
3. This policy is also intended to identify "independent" directors.

##### **Article II – Definitions**

1. Interested person – Any director, principal officer, or member of a committee with governing Board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.
2. Financial interest -- A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
  - a. An ownership or investment interest in any entity with which WI LAND+WATER has a transaction or arrangement,

  - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which WI LAND+WATER is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the Board or Executive Committee decides that a conflict of interest exists, in accordance with this policy.

3. Independent Director -- A director shall be considered "independent" for the purposes of this policy if he or she is "independent" as defined in the instructions for the IRS 990 form or, until such definition is available, the director --
  - a. is not, and has not been for a period of at least three years, an employee of WI LAND+WATER or any entity in which WI LAND+WATER has a financial interest;

4. Immediate Family – *immediate family member* is defined as a spouse; parent; sibling; child by blood, adoption, or marriage; grandparent or grandchild.

### **Article III – Procedures**

1. Duty to Disclose -- In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Board or Executive Committee.

2. Recusal of Self – Any director may recuse himself or herself at any time from involvement in any decision or discussion in which the director believes he or she has or may have a conflict of interest, without going through the process for determining whether a conflict of interest exists.

3. Determining Whether a Conflict of Interest Exists -- After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the Board or Executive Committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or Executive Committee members shall decide if a conflict of interest exists.

4. Procedures for Addressing the Conflict of Interest

a. An interested person may make a presentation at the Board or Executive Committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.

b. The Chairperson of the Board or Executive Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

c. After exercising due diligence, the Board or Executive Committee shall determine whether WI LAND+WATER can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board or Executive Committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in WI LAND+WATER'S best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

5. Violations of the Conflicts of Interest Policy

- a. If the Board or Executive Committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the Board or Executive Committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

#### **Article IV – Records of Proceedings**

The minutes of the Board and all committees with Board delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have an actual or possible conflict of interest, the nature of the conflict of interest, any action taken to determine whether a conflict of interest was present, and the Board's or Executive Committee's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

#### **Article V – Compensation**

1. A voting member of the Board who receives compensation other than usual and customary expense reimbursements, directly or indirectly, from WI LAND+WATER for services is precluded from voting on matters pertaining to that member's compensation.

3. If at any time during the director's term, the information in the conflict of interest statement changes materially, the director shall disclose such changes and revise the annual disclosure form.

4. The Executive Committee shall regularly and consistently monitor and enforce compliance with this policy by annually reviewing conflict of interest statements and taking such other actions as are necessary for effective oversight.

#### **Article VII – Periodic Reviews**

To ensure WI LAND+WATER operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews conducted by the Executive Committee shall, at a minimum, include the following subjects:
