

LCC MEMBER RESOURCES

As a Land Conservation Committee (LCC) member, you are a key player in the natural resource protection arena. You provide vital input into the task of identifying resource needs and developing programs and policies to address those needs. It is important for LCC members to be knowledgeable about the work and workings of the Land and Water Conservation Department (LWCD). This knowledge can be put to good use both in your committee and in your contacts with the public. These resources will help you learn about your role as an LCC member and about conservation in Wisconsin.
