Sponsor the 2026 Wisconsin Envirothon

Wisconsin Envirothon is an environmental science challenge focused on five topic areas:

Soils/Land Use | Forestry | Aquatic Ecology | Wildlife | Current Issue Presentation

Envirothon gives teams of students the technical and public speaking skills to become confident thinkers who provide leadership for a more sustainable and environmentally aware community.

Your contribution will provide the tools necessary for Wisconsin students to be a part of tomorrow's important environmental solutions.

For more about the WI Envirothon, go to https://wisconsinlandwater.org/our-work/youth-education/envirothon, contact the WI Land+Water Youth Education Committee and follow up on Facebook.
