

SE Area 2018 Training Schedule

Please send all trainings sign-ups to Beth Peterson and register for the courses by **Feb. 23rd**. Thanks for your responses; it's vital to the presenters to have a good estimate of attendees to plan accordingly for the training. Specific information/agendas will follow. This is not an inclusive list as other training opportunities will exist/develop throughout the year (Toolkit, Contracting, etc).

February 15, 2018

CADD Users Group

Attendees will work through issues with other CADD users as well as have presentations from other users on helpful hints and unique ways of doing CADD. Attendees should be regular users of Civil 3D.
Location: Green Lake Courthouse
Time: 9:00-3:00
Contact: Erik Swanson

February 21, 2018
