

**FORESTRY**

**SOILS/LAND USE**

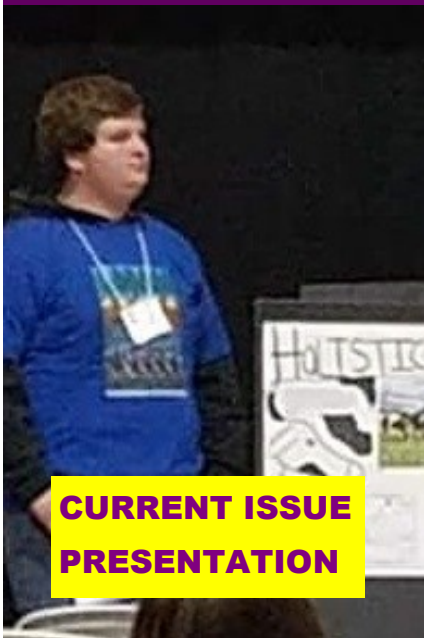

**Sponsor the 2019 Wisconsin Envirothon Today!**

**Check the box on your WI Land+Water membership dues invoice.**

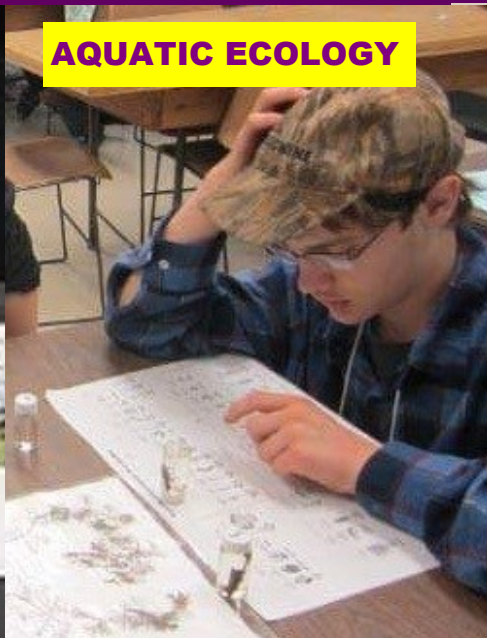

Your \$55 contribution will provide the tools necessary for Wisconsin students to be part of tomorrow's important environmental solutions.

For more information about the WI Envirothon go to [wisconsinlandwater.org](http://wisconsinlandwater.org) or contact the WI Land+Water Youth Education Committee

**CURRENT ISSUE PRESENTATION**

**AQUATIC ECOLOGY**

**WILDLIFE**

Wisconsin Envirothon is an educational challenge focused on five topic areas. It gives teams of middle and high school students the technical and public speaking skills to become the confident thinkers who provide leadership for a more sustainable and environmentally aware community.
