Wisconsin Envirothon is an educational challenge focused on five topic areas: Soils/Land Use, Forestry, Aquatic Ecology, Wildlife and Current Issue Presentation. It gives teams of students the technical and public speaking skills to become the confident thinkers who provide leadership for a more sustainable and environmentally aware community.

Sponsor the 2020 Wisconsin Envirothon Today!

Check the box on your WI Land+Water membership dues invoice.

Your $55 or greater contribution will provide the tools necessary for Wisconsin students to be part of tomorrow's important environmental solutions. For more information about the WI Envirothon go to wisconsinlandwater.org or contact the WI Land+Water Youth Education Committee.
