

Conservation Engineering Technician

The Marquette County, Land & Water Conservation Department is looking for a Conservation Engineering Technician. This is a full-time, permanent position located in our Westfield WI Office. This person in this position will provide technical support to the Marquette County Land & Water Conservation Department and provide professional assistance to property owners regarding soil and water conservation practices with emphasis in Engineering.

Qualifications include graduation from an accredited college or university with a Bachelor's degree in natural resources, conservation, agriculture or a related field; or a two year technical college Associate's degree in natural resources, conservation, agriculture or a related field. Minimum three years of soil and water conservation experience; or any equivalent combination of education and experience that provides the necessary knowledge, skills and abilities.

Salary range is from \$41,961 - \$56,771 based on experience and qualifications. Marquette County also offers an attractive benefit package.

Required application and full job description are available on the County's website www.co.marquette.wi.us or by contacting Administration Office at 608-297-3001, or e-mailing kmcreath@co.marquette.wi.us.

Submit resume, required county application form and cover letter indicating interest to Administration Office, 77 W. Park Street, P.O. Box 129, Montello, WI 53949 phone 608-297-3001, fax 608-297-7606 or kmcreath@co.marquette.wi.us no later than September 14th, 2017 at 4:30 p.m. Equal Opportunity Employer.
