

SW Area 2019 Engineering Updates

All courses will be held at the Richland Center Area Office, unless otherwise noted. Please send all course sign-ups to the contact listed. Please register for the courses as soon as possible. More information will be following on each.

- February 27, 2019 **Basic ArcGIS Training**
Covers basic function of ArcGIS, setting up templates, and making basic maps.
Time: 9:00 am to 2:30 pm
Contact: Kelli Neitzel (608) 647-6931
- March 5, 2019 **Southwest Technical Update**
Annual technical update on new standards, specifications and interesting projects.
Location: Phoenix Center
Time: 9:00 am to 2:30 pm
Contact: Mike Dreischmeier (608) 647-8874 x113
- March 27, 2019 **LiDAR / Technology**
LiDAR will be discussed in the morning including applicable uses for design and planning practices, including use of the Engineering tool. The afternoon will focus on smartphone apps and field use.
Time: 9:00 am to 2:30 pm
Contact: Mike Dreischmeier (608) 647-8874 x113
- March/April TBD **Soil Mechanics 1**
Two day hands-on class on soil identification, USCS classification, and soil properties.
Registration is required.
Time: TBD
Contact: Mike Dreischmeier (608) 647-8874 x113
- May 2, 2019 **Soil Mechanics 2 / Field logging**
Review of field logging for conservation practices using in field soil pits. Focused on practices other than 313.
Contact: Kelli Neitzel (608) 647-6931
